

# Time Frames in Paul's Life

- The Church had been established about 3 years before Paul became a Christian
- Paul persecuted the Church for about the first 3 years of its existence.
- Paul became a Christian about 4 to 7 years before Cornelius did.
- Paul's 1st missionary journey began approximately 10 years after his conversion.
- Paul lived at least 32 years after his conversion.
- Of Paul's 32 years of Christian service, 9 years were spent in his 3 missionary journeys
  - 1st missionary journey — 2 years
  - 2nd missionary journey — 3 years
  - 3rd missionary journey — 4 years
- The church was available to the Gentiles during the last 28 years of Paul's ministry.
- Paul's 1st Roman imprisonment occurred some 25 years after his conversion and about 7 years prior to his death.
