

Translations of the Bible

The New American Standard Bible

- Produced by the Lockman Foundation
- 58 scholars worked over a nine year period
- Four major aims were set forth:
 1. These publications shall be true to the original Hebrew and Greek
 2. They shall be grammatically correct
 3. They shall be understandable by the masses
 4. They shall give the Lord Jesus Christ His proper place, the place which the Word gives Him: no work will ever be personalized.”
- The New Testament was produced in 1963
- The whole Bible was produced in 1971
