

Ten Things to Remember in a Bad Economy

Jeremiah 29:10-14

Ancient Israel found themselves in a severe crisis as a people and a nation. They had been plundered and led away captive. In their disobedience they stood confused about it all. They had been given so many promises, had they lost their value? Had God changed His mind? Was there no hope in their future? Then the Lord speaking through Jeremiah, reminded them of His heart for them and His plans.

MAN'S SIN IS COSTLY

GOD'S PROMISES ARE SURE

GOD'S HEART IS FOR RESTITUTION
