

The Healthy Family - Part 4

By strengthening these areas in your own family, you will improve relationships and increase your chances of a stable home and successful family.

10. **RESPECTING PRIVACY (Matthew 6:6)**

- Respect the right to be alone . . . to be different (within proper limits) . . . and to change.
- Have more mutually negotiated rules as children mature.
- Parents are to bring up their children . . . not the other way around.

11. **VALUING SERVICE (Acts 20:35)**

- Serve others, whether inside or outside your family.
- Be responsive to the needs of others.
- Keep volunteer time under control.

12. **GETTING HELP (James 1:2-4)**

- Even the best families have problem.
- Seek help in the early stages of a problem.
- Remember that not all problems can be solved within the family.
- When necessary, seek professional assistance.
- Don't forget to pray!
