

Why Study the Cross of Christ?

Reason # 5 - THE CROSS OF CHRIST SHOWS US THAT THE WAY TO VICTORY IS BY SELF-DENIAL

The New Testament appeal is to forget ourselves in service to others.

- Reward is not brought about by what we get, but rather by what we can give.
- Christ demonstrated this by the cross

Christ went to the cross and gave Himself for us. What He did, He did for us.

Death is not the end. The cross is not a symbol but a means to a greater life.

Never live as if Christ had never died;
Never die as if Christ had never lived!
